

# Blind *industries* aid

**TACTILE INDICATOR SUPPLY AND INSTALLATION :: STAIR NOSINGS :: CONCRETE GRINDING AND POLISHING**

Blind Aid Industries is a locally based business that has been supplying and installing tactile indicators and step treads to the south west corner of Victoria including Geelong, Melbourne, Werribee, Warrnambool, Ballarat and Hamilton for the past 4 years.

We offer a wide range, including stainless steel studs, polyurethane single studs, bladed shaft hazards and directional indicators in a variety of colours, to meet different needs and price requirements. We can install into any surface and all of the products we supply are guaranteed for 3 years.

As the preferred supplier and installer for the City of Greater Geelong we have a full Union EBA and the relevant OH&S information available on request.

We also offer concrete grinding and polishing services, HTC superfloors, colour dyeing and staining.

Some of our major projects include Deakin University Waterfront Campus; Deakin University Waurn Ponds Campus; The Sands, Torquay; The Resort, Torquay; Edgewater Apartments, Geelong; St John of God Hospital and the Hamilton Performing Arts Centre.
